## About ISCP

The International Society of Colo-Proctology (ISCP) is a dynamic association of surgeons specialised in colorectal surgery. Established on October 21, 2012, in Jaipur, ISCP was founded under the visionary leadership of Dr. S.D. Chivate, Dr. Dinesh Jindel, Dr. J.C. Baid, and Dr. Pradeep Sharma, with Dr. S.D. Chivate serving as President and Dr. Dinesh Shah as Honorary Secretary. The society was created to promote and advance the field of colorectal surgery across India and beyond. Although ISCP began with only a handful of members, it has experienced rapid growth thanks to the dedication and transparency of its members. Today, ISCP spans the entire country and has become a leading force in the field, uniting the vast experience and expertise of its members to foster knowledge-sharing and professional development among colorectal surgeons.
